

Full/Part-Time	Lecturer Name	Highest Academic Qualification	Awarded by	Course Title	Module Description
Full-time	John Sykioco Mateo	MEng in Education (Electronics and Communications Engineering)	DeLa Salle University, Philippines	BEng (Hons) in Electronics and Communications Engineering	Control Engineering I
					Engineering Innovation and Enterprise
					Individual Project
					Microwave Engineering
					Control Engineering I
					Engineering Innovation and Enterprise
					Individual Project
					Integrated Electro-mechanical Design
					Individual Project
				BEng (Hons) Telecommunications and Networks	Optical Communications
				BSc (Hons) Business Management	Dissertation
				BSc (Hons) Computer Networks and Security	Individual Project
				BEng (Hons) Mechatronics	System Integration
				Beng (Hons) Electrical and Electronics Engineering	Electrical Transmission and Distribution
		Advanced Digital Design			
		Control and Instrumentation Engineering			
	BEng (Hons) Mechatronics Beng (Hons) Electrical and Electronics Engineering	Embedded Systems and Drives			
		Electromagnetics			
		Power Electronics and Generation			
		Individual Project			
		Applied Electronics			
		Advanced Engineering Mathematics			
		Diploma in Engineering Technology	Engineering Mathematics		
			Analogue Electronics Technology		
			Digital Circuits		
			Electrical Technology		
	Introduction to Programming				
	Data Communications and Networks				
		Internship			
		Group Project			
	Certificate of Foundation for Higher Education	Engineering Concepts			
		Introduction to Statistics			
	MSc in Project Management	ENG7058 Operation & Process Management			
	Thanalakshmi D/O Thambiayya	Master of Business (Information Technology)	Curtin University of Technology, Australia	BSc (Hons) Business Management	Business Project Management
					Dissertation
					International Marketing
					Research Methods for Business Students
				BSc (Hons) Computer Networks and Security	Personal ID and Authentication Systems
					Business and Social Entrepreneurs
				Higher Diploma in Business Management	Business Information System
					Introduction to Business Research Methods
				Introduction to Marketing	
BEng (Hons) Mechatronics				Project Management	
BEng (Hons) Electrical and Electronics Engineering					
Higher Diploma in Electronic Engineering				Introduction to Programming	
Master of Business Administration				Critical Management Enquiry	
				Dissertation	
MSc in Programme and Project Management	7ET023 Dissertation				
	Leading Transformation and Change				
	Project Management				
	Research Methods and Professional Skills				
BSc (Hons) in Computer Security	Computing Project				
MSc in Project Management	ENG7048 Business & Information Strategy				
	Master Project				
	Research Methods & Professional Development				
Matthew Tan Beng Siang	Master of Science (Project Management)	Birmingham City University, UK	Certificate of Foundation for Higher Education	Understanding Business Concepts	
				English for Academic Purpose	
				Critical Thinking and Analysis	
				Introduction to Business Management	
				Skills for Independent Learning	
				Introduction to Business Research Methods	
			Higher Diploma in Business Management	Introduction to Business Organisation	
				Managing and Leading People
