

Full/Part-Time	Lecturer Name	Highest Academic Qualification	Awarded by	Course Title	Module Description
Full-time	John Sykioco Mateo	MEng in Education (Electronics and Communications Engineering)	DeLa Salle University, Philippines	BEng (Hons) in Electronics and Communications Engineering	Control Engineering I
					Engineering Innovation and Enterprise
					Individual Project
					Microwave Engineering
				BEng (Hons) in Mechatronics	Control Engineering I
					Engineering Innovation and Enterprise
					Individual Project
				BEng (Hons) Telecommunications and Networks	Integrated Electro-mechanical Design
					Individual Project
				BSc (Hons) Business Management	Optical Communications
				BSc (Hons) Computer Networks and Security	Dissertation
				BEng (Hons) Mechatronics	Individual Project
					System Integration
				Beng (Hons) Electrical and Electronics Engineering	Electrical Transmission and Distribution
					Advanced Digital Design
	Control and Instrumentation Engineering				
	BEng (Hons) Mechatronics Beng (Hons) Electrical and Electronics Engineering	Embedded Systems and Drives			
		Electromagnetics			
		Power Electronics and Generation			
		Individual Project			
		Applied Electronics			
		Advanced Engineering Mathematics			
	Diploma in Engineering Technology	Engineering Mathematics			
		Analogue Electronics Technology			
		Digital Circuits			
		Electrical Technology			
		Introduction to Programming			
		Data Communications and Networks			
		Internship			
	Group Project				
	Certificate of Foundation for Higher Education	Engineering Concepts			
	Thanalakshmi D/O Thambiayya	Master of Business (Information Technology)	Curtin University of Technology, Australia	MSc in Project Management	Introduction to Statistics
					ENG7058 Operation & Process Management
				BSc (Hons) Business Management	Business Project Management
					Dissertation
					International Marketing
				BSc (Hons) Computer Networks and Security	Research Methods for Business Students
					Personal ID and Authentication Systems
				Higher Diploma in Business Management	Business and Social Entrepreneurs
					Business Information System
					Introduction to Business Research Methods
				BEng (Hons) Mechatronics	Introduction to Marketing
					Project Management
				BEng (Hons) Electrical and Electronics Engineering	Introduction to Programming
				Higher Diploma in Electronic Engineering	Critical Management Enquiry
Master of Business Administration				Dissertation	
	7ET023 Dissertation				
	Leading Transformation and Change				
MSc in Programme and Project Management	Project Management				
	Research Methods and Professional Skills				
BSc (Hons) in Computer Security	Computing Project				
	ENG7048 Business & Information Strategy				
MSc in Project Management	Master Project				
	Research Methods & Professional Development				
	Understanding Business Concepts				
Matthew Tan Beng Siang	Master of Science (Project Management)	Birmingham City University, UK	Certificate of Foundation for Higher Education	English for Academic Purpose
